Dr B Allan Plenary

Dr B Allan Workshop

COMMENTS:

- Kept informative and informal. Great discussion
- Good accessible venue with parking but main room hot and dark
- Excellent venue and food. Good choice of speakers – difficult subjects but they were handled well
- Venue very good (+ food). Liked the opportunity to ask questions – informal approach facilitated discussion and sharing
- A pleasant informative afternoon
- Good venue – enjoyed the afternoon
- Great afternoon. Keep up the good work. Nice venue and food
- Not really worth splitting the session. The first part in one group was better
- Primary Care Strategy may have made more sense if had a chance to be familiar with it first
- Great venue – easy to find. Great food. Great organisation. Thanks
- Good central venue. Good food. Interesting session
- Venue was good for this event. Lunch was good. Good turnout – good networking prospects
- An excellent session
- Venue and food excellent. Central location. Found both topics extremely useful and hopefully improve communication with PCT
- Venue very good. Plenary good – workshops not very useful for us, may have been useful for Louise Watson. Bruce Allan had an uphill struggle in the last session.
- Superb venue – comfortable. Ample parking. Good topic. Very cheerful committee.
- Great venue
- Venue and food very good. Was hoping for some examples of PBC working!
- All very good
