## **9.15 Registration, Tea & Coffee Networking & Sponsors**

### **10am Workshop – Antony Haynes, INSIGHT SOLUTIONS**

With indicators set to be removed, changed and new areas included, ensure you are fully up to speed with the changes as early into the new QoF year as possible. Insight will deliver a complete summary of the changes and how to implement them within the practice prior to your QoF management software being updated.

Come along and get updated and ensure you sign up to their monthly newsletters.

About the trainer:

**Anthony Haynes - Senior Consultant/Training Manager**

Anthony has worked within primary care for 13 years, in various training & advisory roles. His overall knowledge of primary care & primary care IT systems is extensive, Anthony understands how general practice works and can use this information to best advise practices to help make them more efficient. Anthony is responsible for mentoring all new training consultants, ensuring their personal development is in line with what you want and need.

The WSPMA value your continued support but while we are securing long term funding for the organisation, we currently rely on our sponsors for these events. Please make sure that you take the time during registration, lunch and tea breaks to visit each of the Sponsor's Stands. Many thanks!

## **Training Fee: £0**
