- Extremely well organised and a lovely venue. Absolutely excellent key note speakers- incredibly interesting and inspirational.
- Very well organised – lots of information – good sponsors, good workshops and excellent speakers. A very worthwhile conference – well done!
- The 2nd workshop I had attended the full day 2 wks earlier so had I realised I would not have picked this. The title life coaching was a bit misleading as it was not life coaching. Really great day, enjoyed it. Venue very good. If being picky lunch was not that good. If serving hot food it should be hot not cold.
- Thank you!
- Excellent speakers. Very relevant but also entertaining and inspiring. Thanks to all of you who have worked so hard.
- Very good thank you.
- Very enjoyable day. Well organised – great speakers. Thank you.
- Well signposted/organised. Food/venue excellent. Thoroughly interesting and entertaining and informative day.
- Everything about today was brilliant, it makes me want to continue to become a practice manager and learn from all that you as an association seem to portray and stand for. Looking forward to next year. Thank you. You should be all very proud of what you achieve and deliver. Food was great too!
